PUBLIC COMMENT
ITEM #1

APPROVAL OF WORKFORCE INNOVATION AND OPPORTUNITY ACT
BUDGET AND PARTICIPANT PLAN SUMMARY FOR PROGRAM YEAR
2015-16
DATE: August 26, 2015
TO: Workforce Board
FROM: John M. Solis, Executive Director
SUBJECT: APPROVAL OF WORKFORCE INNOVATION AND OPPORTUNITY ACT BUDGET AND PARTICIPANT PLAN SUMMARY FOR PROGRAM YEAR 2015-16

IT IS RECOMMENDED:

That the San Joaquin County Workforce Board:

1. Approve the attached WIOA Budget and Participant Plan Summary for Program Year (PY) 2015-16.

2. Authorize the Chair of the Workforce Board to sign all documents related to this action.

Background:

On July 22, 2014, President Obama signed into law the Workforce Innovation and Opportunity Act (WIOA), reauthorizing the One Stop Center Service Delivery System for Workforce Development. The WIOA replaces the Workforce Investment Act (WIA) and is designed to help job seekers access employment, education, training, and support services to succeed in the labor market and to match employers with the skilled workers they need to compete in the global economy. The WIOA became effective on July 1, 2015.

Under Section 107 (12)(A) of the WIOA, each Workforce Board is required to approve an annual budget. Approval of this recommendation by the Workforce Board and San Joaquin County Board of Supervisors will allow the Employment and Economic Development Department (EEDD) to utilize the PY 2015-16 WIOA Formula allocations.

The U.S. Department of Labor (DOL) provided Formula allotments to States and U.S. Territories in accordance with Training and Employment Guidance Letter (TEGL) 29-14, Change 1, dated May 1, 2015. From the federal allotment, the State of California’s Employment Development Department (EDD) allocated Formula funding to local workforce areas in accordance with the Workforce Services Information Notice (WSIN) 14-53, dated May 13, 2015. For PY 2015-16, San Joaquin County has been allocated a total of $8,120,927 as follows:

WIOA Formula Budget and Participant Plan Summary for Program Year 2015-2016:

Attached is the proposed budget and participant plan summary for PY 2015-2016. The budget includes this year’s WIOA Formula Adult, Dislocated Worker and Youth allocations and any unexpended, carry-over funds from PY 2014-15. Also attached is the participant plan summary reflecting the number of new participants and carry-over participants as of July 1, 2015.

* The numbers reflected here are actual participants enrolled into an intensive (staff assisted) or training (classroom and/or On-The-Job) service. The number of individuals receiving core/basic career services (use of the resource center, group orientations/workshops, and self-help activities with minimal staff assistance) is significantly higher, exceeding 17,000 (Adult + Dislocated Worker) each program year.

The total PY 2015-16 budget reflects a 2.6% ($206,826) increase in funding over the PY 2014-15 level. The participant plan summary also reflects a modest increase (18 participants or 1.5%) in the number of individuals to be served.
On February 25, 2015, the Workforce Investment Board approved a transfer of $807,194 from WIA Dislocated Worker Formula budget to the Adult Formula budget as a greater number of Adults were being served during the first six months of the Program Year. The State EDD permits local areas to transfer Formula funds between the Adult and the Dislocated Worker programs as necessary. At the time of the transfer, approximately, 60% of the participants receiving intensive and training services were classified as Adults while more than 80% receiving core, self-help type services were Adults. The increased costs to serve the additional Adult participants resulted in the fund transfer request. Neither WIA nor WIOA permit a transfer of funds involving the Youth allotment.

EEDD staff will evaluate the budget and participant enrollment levels monthly. Should a transfer of funds be necessary during PY 2015-16, a transfer of funds request will be brought to the Workforce Board for consideration.

Fiscal Impact:

Approval of the recommendation will result in the release of $8,120,927 in federal Formula funds for the operation of WIOA programs in San Joaquin County.
