ITEM #1

RECOMMENDATION TO MODIFY CALIFORNIA HUMAN DEVELOPMENT AND SAN JOAQUIN COUNTY OFFICE OF EDUCATION YOUTH PROGRAM CONTRACTS
DATE: May 25, 2016
ACTION ITEM: 1

TO: Workforce Development Board

FROM: Youth Council

SUBJECT: RECOMMENDATION TO MODIFY CALIFORNIA HUMAN DEVELOPMENT AND SAN JOAQUIN COUNTY OFFICE OF EDUCATION YOUTH PROGRAM CONTRACTS

IT IS RECOMMENDED:

That the Workforce Development Board (WDB) approve the recommendation of the Youth Council to modify the current Workforce Innovation and Opportunity Act (WIOA) formula funded year round youth program contracts with California Human Development (CHD) and San Joaquin County Office of Education (COE) as follows:

1. Extend the contracts through June 30, 2017, and incorporate WIOA requirements.
2. Increase funding to the CHD Contract by an amount not to exceed $220,000.
3. Increase funding to the COE Contract by an amount not to exceed $880,000.

REASONS FOR RECOMMENDATION

Background:

On April 27, 2011 the Workforce Investment Board (WIB) approved the Youth Council’s recommendation to award the CHD and the COE contracts in response to a Request for Proposals (RFP) to provide youth educational services to Workforce Investment Act (WIA) eligible 16-18 year old youth and a limited number of eligible older youth (19-21) for COE. The contracts were for the period July 1, 2011 through June 30, 2014.

The current contracts with CHD and COE were awarded through a competitive, RFP process. CHD and COE were the only agencies that submitted proposals in response to the RFP. The RFP process allows for extensions to the contract where funding is available and performance is satisfactory.

On June 24, 2014, through Board Order B-14-352, the Board of Supervisors (BOS) approved the recommendation of the WIB to extend Contract #s 2011-001 and 2011-0C2 for the period July 1, 2014, through June 30, 2015, to serve an additional 300 youth and provide an additional $1,000,000 in youth formula funding.

On June 23, 2015, through Board Order B-15-414, the BOS approved the recommendation of the WIB to extend the CHD and COE Contracts #s 2011-001 and 2011-002 for the period July 1, 2015, through June 30, 2016, to serve an additional 300 youth and provide an additional $1,000,000 in youth formula funding.
Youth Council Meeting

On May 6, 2016, the Youth Council met to review the performance of CHD and COE and formulate a recommendation to be considered by the full WDB. Following the review, the Council voted unanimously to recommend that the WDB approve a modification to extend the contracts through June 30, 2017, as both contracts were in compliance with performance requirements and funding is available. The contract modification will serve an additional 300 youth and provide an additional $1,100,000 in youth formula funding.

The following chart represents the current contract performance goals and five year total funding levels for the CHD and COE contracts:

*Notes: The Contract Goals identified in the chart above are for the 2015-16 Program Year. The Contract Goals fluctuate every year due to changes to the State Standards. Performance is considered met and/or exceeded if the actual performance is within a 20% standard deviation from the benchmark.*
Proposed Youth Program Contract Modification:

The current contracts, which were initially procured under WIA, are scheduled to expire on June 30, 2016. On July 22, 2014 the Workforce Innovation and Opportunity Act (WIOA) was signed into law and took effect July 1, 2015. Final regulations that were due in January 2016 have not been released and are now scheduled for publication in June or July 2016. Once the final regulations are published, a new RFP process will be initiated in the fall of 2016, in order to procure service providers for the WIOA comprehensive year round youth program beginning July 1, 2017.

The proposed contract modifications will align program services with the WIOA including program eligibility requirements and minimum expenditure requirements for youth formula funds (a minimum of 75% of youth formula funds must be spent on services to out-of-school youth). To facilitate compliance with the new WIOA expenditure requirements, CHD and COE may serve youth up to the age of 24 under the modified contracts.

The total of $1,100,000 in additional youth formula funding to CHD and COE would be used to serve 300 youth through June 30, 2017. The additional funding maintains the current service and funding level distribution between the two contracts (20% CHD and 80% COE). The contract modifications will result in the following total contract performance goals and funding levels through June 30, 2017:

<table>

FISCAL IMPACT:

This action will extend the current comprehensive year round youth program contracts through June 30, 2017, and will obligate an additional $220,000 to California Human Development and $880,000 to San Joaquin County Office of Education.

Adequate youth formula funds are available to facilitate the proposed contract extensions.

ITEM #2

RECOMMENDATION TO APPROVE THE WORKFORCE INNOVATION AND OPPORTUNITY ACT MEMORANDUM OF UNDERSTANDING AND AUTHORIZE THE CHAIR OF THE WORKFORCE DEVELOPMENT BOARD TO SIGN
DATE:       May 25, 2016

TO:         Workforce Development Board

FROM:       John M. Solis, Executive Director

SUBJECT:   RECOMMENDATION TO APPROVE THE WORKFORCE INNOVATION AND OPPORTUNITY ACT MEMORANDUM OF UNDERSTANDING AND AUTHORIZE THE CHAIR OF THE WORKFORCE DEVELOPMENT BOARD TO SIGN

IT IS RECOMMENDED:

That the Workforce Development Board (WDB) approve the attached Workforce Innovation and Opportunity Act (WIOA) Memorandum of Understanding (MOU) and authorize the Chair of the WDB to sign.

REASONS FOR RECOMMENDATION

Background:

On July 22, 2014, President Obama signed into law the WIOA, reauthorizing the One Stop Center Service Delivery System for Workforce Development. The WIOA replaces the Workforce Investment Act (WIA) and is designed to help job seekers access employment, education, training, and support services to succeed in the labor market and to match employers with the skilled workers they need to compete in the global economy. The WIOA went into effect on July 1, 2015.

The WIOA strengthens the ability of our public workforce system to align investments in workforce, education, and economic development with regional, in-demand jobs. It also focuses on the importance of providing customers with access to quality One Stop Centers that connect them with the full range of services available in their communities.

Accordingly, California’s Unified Strategic Workforce Development Plan (State Plan) was developed with the following three policy objectives:

- Fostering demand-driven skills attainment;
- Enabling upward mobility for all Californians; and
- Aligning, coordinating, and integrating programs and services.

To achieve these objectives, California’s One Stop Center System, recognized as America’s Job Center of California (AJCC), must serve as an all-inclusive access point to education and training programs that provide demand-driven skill attainment. A
critical component of the successful implementation of the State Plan vision is a well-articulated MOU between the partners that comprise the local AJCC.

Local Boards, with the agreement of the Board of Supervisors (BOS) as the Chief Local Elected Official (CLEO), are responsible for entering into a MOU with each of the AJCC partners. The MOU serves to outline the operations of the local One Stop Center Delivery System. The Department of Labor (DOL) and the State envision that Local Boards act as convener for the development of the MOU and the entity shaping how One Stop Center Services are delivered locally.

MOU Development:

On January 20, 2016, the Employment Development Department (EDD), Workforce Services Division (WSD), released Directive WSD15-12 - WIOA Memorandums of Understanding. The Directive provided Local Boards with guidance on the development of the MOU, the required partners to the MOU, the coordination of services offered by the partners, the time lines for completion of the MOU Phases (Phase I and II), and a sample MOU for use by the Local Boards.

In addition to the Directive, the State sponsored several MOU development training sessions for the WIOA Core Partners (WIOA Title I, Title II, Title III, and Title IV) and the local agencies that operate the Temporary Assistance for Needy Family (TANF)/CalWORKs programs. The training sessions were held in several locations throughout the State during the month of February 2016, to ensure Local Workforce Development Areas (LWDA) received consistent information and guidance in support of the Directive and the State’s three policy objectives referenced above. WDB staff also attended the training sessions as they would help facilitate the development of the draft MOU with the input of the 17 required partners to the agreement.

The WDB staff began working on the draft MOU in March 2016, with input from the Core Partners that attended the State’s training sessions. The initial draft of the document was based on the sample MOU provided by the State in the Directive and highlighted at the training sessions.

Beginning in early April and continuing through mid-May, a series of working sessions with the required partners were held to: review the State’s Directive and guidance; define the services offered by the partners; review the overall coordination of services offered by each partner; develop a referral process between partners; and jointly develop a final MOU based on the sample provided by the State.

The final MOU development meeting was held on May 13, 2016. The parties to the agreement finalized the attached draft. Representatives from all 17 required partners participated in at least one of the working sessions. Of the 17 required partner programs identified in the MOU, 13 are represented by individuals currently serving on the local WDB. The final draft MOU is attached and recommended for WDB approval and signature by the WDB Chair. Once approved and signed, the MOU will be
forwarded to the San Joaquin County BOS for their consideration, approval, and signature.

To comply with the Directive, the completed MOU must be submitted to the State by June 30, 2016. The signed MOU represents completion of Phase I of the development process described in the Directive. Phase II of the State's development process is due December 31, 2017. Additional guidance from the State is expected for the Phase II development process.

**ACTION TO BE TAKEN FOLLOWING APPROVAL**

1. WDB Chair to sign MOU.  
   (May 25, 2016)

Workforce Innovation and Opportunity Act
Memorandum of Understanding
San Joaquin County

This Memorandum of Understanding (MOU) is entered into to define the roles and responsibilities of each partner as mutually agreed by the parties for the provision of services pursuant to the Workforce Innovation and Opportunity Act (WIOA).

The San Joaquin County Workforce Development Board (WDB), the identified partners to this agreement, and Chief Local Elected Official (CLEO) enter into this MOU for the purpose of creating a quality “One-Stop” system and fostering cooperative working relationships to deliver services under the State’s America’s Job Center of California (AJCC) structure.

This MOU shall serve as the framework for providing services to employers, employees, job seekers and others needing workforce services in San Joaquin County.

A. Purpose

The WIOA requires that a MOU be developed and executed between the AJCC partners to establish an agreement concerning the operations of the AJCC delivery system. The purpose of the MOU is to establish a cooperative working relationship between the parties and to define their respective roles and responsibilities in achieving the policy objectives. The MOU also serves to establish the framework for providing services to employers, employees, job seekers and others needing workforce services.

Through the local AJCC structure, the parties to this MOU will coordinate efforts in support of the three main policy objectives established within the California Unified Workforce Development Strategic Plan (State Plan). The three strategies are as follows:

- Foster demand-driven skills attainment;
- Enable upward mobility for all Californians; and
- Align, coordinate, and integrate programs and services.

These objectives will be accomplished by ensuring access to high-quality AJCCs that provide the full range of services available in the community for all customers seeking assistance in:

- Beginning and/or enhancing their career options;
- Building basic educational or occupational skills;
- Earning a postsecondary certificate or degree;
- Obtaining guidance on how to make career choices; and
- Seeking to identify and hire skilled workers.
The partners to this MOU will further support the State Plan policy objectives by aligning and coordinating to the greatest extent possible, their respective efforts at the local and regional level within a framework that includes:

- Sector strategies - aligning workforce and education programs with leading and emergent industry sectors’ skills needs.

- Career Pathways - enabling of progressive skills development through education and training programs, using multiple entry and exit points, so that each level of skills development corresponds with a labor market payoff for those being trained or educated.

- Regional Partnerships - building partnerships between industry leaders, workforce professionals, education and training providers, and economic development leaders to engage workforce and education policies that support regional economic growth.

- Earn and Learn Models - using training and education “best practices’ that combine applied learning opportunities with material compensation while facilitating skills development in the context of actual labor market participation.

- Supportive Services - providing ancillary services like childcare, transportation, and counseling to overcome barriers and facilitate program completion and transition to employment.

- Creating Cross-System Data Capacity - using diagnostic labor market data to assess where to target investment and facilitate the measurement of effectiveness over time.

- Integrated service delivery - braiding resources and coordinating services at the local level to meet the needs of local business and individual job seekers.

B. Local/Regional Vision and Mission Statement

Vision

Our vision for this area and region is a prosperous and growing economy supported by an abundance of livable-wage careers performed by a local workforce that is well prepared, appropriately skilled, and fully capable of meeting the current and future needs of local and regional employers.

Mission

Our mission is to implement the Workforce Innovation and Opportunity Act by strategically leveraging and integrating community resources to cultivate demand driven skill attainment that meets the evolving needs of business and accelerates the upward mobility of the labor force.

H. Access for Individuals with Barriers to Employment

Each partner to this MOU is committed to ensuring individuals with barriers to employment are able to access the services needed to meet their employment and training needs. Within this commitment, the partners also recognize the need to offer priority of services to eligible veterans and their spouses, recipients of public assistance and other low-income individuals, or individuals who are basic skills deficient, when providing Individualized Career Services and Training Services with WIOA adult funds, and as appropriate, based on federal, State and local policy.

I. Shared Technology and System Security

WIOA emphasizes technology as a critical tool for making all aspects of information exchange possible, including client tracking, common case management, reporting, and data collection. To support the use of these tools, each AJCC Partner agrees to the following:

- Abide by the principles of common reporting and shared information through electronic mechanisms, including shared technology.
- Commit to share information to the greatest extent allowable under their governing legislation and confidentiality requirements.

- Develop technological enhancements that allow interfaces of common information needs, as appropriate.
- Understand that system security provisions shall be agreed upon by all partners.

The AJCC partner, therefore, agrees to share client information necessary for the provision of services such as assessment, universal intake, program or training referral, job development or placement activities, and other services as needed for employment or program support purposes.

• Client information shall be shared solely for the purpose of enrollment, referral or provision of services. In carrying out their respective responsibilities, each party shall respect and abide by the confidentiality policies of the other parties.

K. Non-Discrimination and Equal Opportunity

The AJCC partner shall not unlawfully discriminate, harass or allow harassment against any employee, applicant for employment or AJCC applicant due to gender, race, color, ancestry, religion, national origin, veteran status, physical disability, mental disability, medical condition(s), age, sexual orientation or marital status. The AJCC partner agrees to comply with the provisions of the Fair Employment and Housing Act (Government Code Section 12990) and related, applicable regulations.

L. Grievances and Complaints Procedure

The AJCC partner agrees to establish and maintain a procedure for grievance and complaints as outlined in WIOA. The process for handling grievances and complaints is applicable to customers and partners. These procedures will allow the customer or entity filing the complaint to exhaust every administrative level in receiving a fair and complete hearing and resolution of their grievance. The partner further agrees to communicate openly and directly to resolve any problems or disputes related to the provision of services in a cooperative manner and at the lowest level of intervention possible.

M. American’s with Disabilities Act and Amendments Compliance

The AJCC partner agrees to ensure that the policies and procedures as well as the programs and services provided at the AJCC are in compliance with the Americans with Disabilities Act and its amendments. Additionally, partners agree to fully comply with the provisions of WIOA, Title VII of the Civil Rights Act of 1964, the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, 29CFR Part 37 and all other rules and regulations implementing the aforementioned laws.
N. Effective Dates and Term of MOU

This MOU shall be binding upon each party hereto upon execution by such party. The MOU term shall be three years, commencing on July 1, 2016, the date of execution by all parties. The MOU will be reviewed not less than once every three years to identify any substantial changes that have occurred.

O. Modifications and Revisions

This MOU and referenced attachments constitutes the entire agreement between the parties and no oral understanding not incorporated herein shall be binding on any of the parties hereto. This MOU may be modified, altered, or revised, as necessary, by mutual consent of the parties, by the issuance of a written amendment, signed and dated by the parties.

The parties to this MOU agree that the partner services listed in Attachment B may be updated as necessary without formal modification and signature of the parties hereto. Notification of an update to Attachment B shall be communicated in writing to all parties within 15 days.

The parties understand that implementation of the AJCC system is dependent on the good faith effort of partners to work together to improve services to the community. The parties also agree that this is a project where different ways of working together and providing services are being explored. In the event that it becomes necessary for one or more parties to cease being a part of this MOU, said entity shall notify the other parties, in writing, 30 days in advance of that intention.

Q. Administrative and Operations Management Sections

1. Supervision/Day to Day Operations

The day-to-day supervision of staff assigned to the AJCCs will be the responsibility of the site supervisor(s). The original employer of staff assigned to the AJCCs will continue to set the priorities of its staff. Any change in work assignments or any problems at the worksite will be handled by the site supervisor(s) and the management of the original employer.

The office hours for the staff at the AJCCs will be established by the site supervisor(s) and the primary employer. All staff will comply with the holiday schedule of their primary employer and will provide a copy of their holiday schedule to the operator and host agency at the beginning of each fiscal year.

Disciplinary actions may result in removal of co-located staff from the AJCCs and each party will take appropriate action.

Each party shall be solely liable and responsible for providing to, or on behalf of, its employee(s), all legally-required employee benefits. In addition, each party shall be solely responsive and save
all other parties harmless from all matters relating to payment of each party’s employee(s),
including compliance with social security withholding, workers’ compensation, and all other
regulations governing such matters.

Nothing within this MOU is intended to circumvent or supersede the benefits or rights established
under collective bargaining agreements of the partners’ employees working within the AJCC
system.

2. Dispute Resolution

The parties agree to try to resolve policy or practice disputes at the lowest level, starting with the
site supervisor(s) and staff. If issues cannot be resolved at this level, they shall be referred to the
management staff of the respective staff employer and the operator, for discussion and
resolution.

3. Press Releases and Communications

To the extent possible, all parties shall be included when communicating with the press, television,
radio or any other form of media regarding its duties or performance under this MOU. Participation of
each party in press/media presentations will be determined by each party’s public
relations policies. Unless otherwise directed by the other parties, in all communications, each
party shall make specific reference to all other parties.

The parties agree to utilize the AJCC logo developed by the State of California and the Local Board
on and/or within buildings identified for AJCC usage. To the extent possible, branding of the AJCC
may also include use of the logo on letterhead, envelopes, business cards, written
correspondence, and fax transmittals related to the provision of WIOA services.

4. Hold Harmless/Indemnification/Liability

In accordance with provisions of Section 895.4 of the California Government Code, each party

any acts or omissions which arise from the performance of the obligations by such indemnifying
party pursuant to this MOU. In addition, except for Departments of the State of California which
cannot provide for indemnification of court costs and attorneys fees under the indemnification
policy of the State of California, all other parties to this MOU agree to indemnify, defend and hold
harmless each other from and against all court costs and attorneys fees arising out of or resulting
