AUTHORIZATION TO TRANSFER FUNDS FROM WORKFORCE INNOVATION AND OPPORTUNITIES ACT (WIOA) DISLOCATED WORKER PROGRAM TO WIOA FORMULA ADULT
DATE: December 8, 2017

TO: Workforce Development Board

FROM: John M. Solis, Executive Director

SUBJECT: AUTHORIZATION TO TRANSFER FUNDS FROM WORKFORCE INNOVATION AND OPPORTUNITIES ACT (WIOA) DISLOCATED WORKER PROGRAM TO WIOA FORMULA ADULT

IT IS RECOMMENDED:

That the Workforce Development Board:

1. Authorize the Executive Director of the Employment and Economic Development Department to transfer, subject to State approval, up to 15% of the Workforce Innovation and Opportunities Act (WIOA) Formula Dislocated Worker funds to the WIOA Formula Adult fund, and

2. Authorize the Chair of the Workforce Development Board to sign all documents related to this action.

REASONS FOR RECOMMENDATION:

Section 133(b)(4) of the Workforce Innovation and Opportunities Act (WIOA) allows for the transfer of up to 100% of the funds between the Formula Adult and Dislocated Worker Programs. The WIOA Formula Adult Program is funded to serve customers that are low income. The WIOA Formula Dislocated Worker Program is for customers that have been recently laid-off. The purpose of the transfer provisions in WIOA is to provide the local workforce development areas the flexibility necessary to meet customer demand in the One-Stop Centers (AJCC WorkNet Centers). For example, if more customers utilizing the WorkNet Centers are WIOA Adults, funds may be transferred from the WIOA Dislocated Worker program to meet the greatest need. Formula funds may not be transferred to or from the WIOA Youth Program.

Under the above-identified transfer provisions, the San Joaquin County Workforce Investment Board (WIB) has authorized the transfer of Formula funds between the Adult and Dislocated Worker programs nine times since the inception of WIA in 2000. The most recent transfer was approved on February 25, 2015, when the WIB approved a transfer of $807,194 (30% of the allocated funds) from the Dislocated Worker program to the Adult program.

WIOA Formula-Funded Service Levels

More Adults than Dislocated Workers are seeking and receiving Formula-Funded services within the AJCC WorkNet Centers. The chart below illustrates the number of individuals receiving WIOA Formula-Funded services:
<table>
<thead>
<tr>
<th>Service Type</th>

<th>Dislocated Worker</th>

<td>206</td>
<td>442</td>

</tbody>

WIOA authorizes career services for adults and dislocated workers. There are three types of career services: basic career services, individualized career services and follow-up services.

**Basic Career Services** are universally accessible services and must be made available to all individuals seeking employment and training services at the Americas Job Centers of California (AJCC). These services typically involve less staff time and involvement. Basic Career Services include services such as: eligibility determination, initial skill assessments, labor exchange services, information on programs and services and program referrals.

**Individualized Career Services** must be provided to participants once the AJCC staff determines that such services are required to retain or obtain employment. Generally, these services involve significant staff time and customization to each individual's needs. Individualized career services include services such as: specialized assessments, developing an individual employment plan, counseling, work experience, etc.

**Follow Up Services** must be provided to adult and dislocated worker participants who are placed in unsubsidized employment for up to 12 months after the first day of employment. One type of follow service may include counseling about the work place.

Training Services include education and employment training for participants who have been unable to find employment. Typically training services are offered either through a referral to an eligible training provider (eligibility is determined by the State) for classroom training or by a local employer through the On the Job Training Program.

Approximately, 87% (3,981/4,598) of the customers receiving Basic Career Services in the AJCC WorkNet Centers are classified as Adults. Currently 53% (236/442) of those enrolled into Individualized Career Services/Training Services are Adults.

**WIOA Formula and Special Grant Funds**

The chart below illustrates the current funding available for WIOA Adults and Dislocated Workers including the special, non-Formula grants. The special non-Formula additional assistance grants (WIOA 25% Funds) is designated to serve Dislocated Workers only.

The 2017-18 WIOA Formula Adult and Dislocated Worker allocations are 53% and 47% of the total $5,253,415 allocation, respectively. WIOA Formula Adult and Dislocated Worker expenditures are driven by participant enrollments, resulting in the need to transfer funds.

**Transfer of Funds - Formula Dislocated Worker to Formula Adult**

The chart below illustrates the current Formula funding levels for WIOA Adults and Dislocated Workers and the impact of the proposed transfer:

</tbody>
</table>

The WDB’s approval of the recommendation to transfer up to 15% of the WIOA Formula Dislocated Worker funds to the WIOA Formula Adult program is necessary to ensure that adequate resources are available to serve adults enrolled in the program. The transfer does not compromise services to Dislocated Workers because of the additional funds ($1,174,000) available through the additional assistance grant funding identified above. If this transfer is approved San Joaquin County will still have approximately $3,276,274 to serve the dislocated worker population.

**FISCAL IMPACT:**

Up to 15% ($370,990) will be transferred from WIOA Formula Dislocated Worker to WIOA Formula Adult.

APPROVAL OF SAN JOAQUIN COUNTY'S COMPREHENSIVE AMERICA'S JOB CENTER OF CALIFORNIA (AJCC) BASELINE CRITERIA CERTIFICATION IN COMPLIANCE WITH THE WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA) STATUTORY AND REGULATORY REQUIREMENTS
DATE: December 8, 2017

TO: Workforce Development Board

FROM: John M. Solis, Executive Director

SUBJECT: APPROVAL OF SAN JOAQUIN COUNTY'S COMPREHENSIVE AMERICA'S JOB CENTER OF CALIFORNIA (AJCC) BASELINE CRITERIA CERTIFICATION IN COMPLIANCE WITH THE WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA) STATUTORY AND REGULATORY REQUIREMENTS

IT IS RECOMMENDED:

That the Workforce Development Board (WDB):

1. Approves the evaluation of the Stanislaus County Peer Review Team;

2. Authorizes the submission of San Joaquin County's Comprehensive AJCC Baseline Certification Matrix to the State Employment Development Department (EDD) certifying its compliance with Section 121(a) of the WIOA; and

3. Authorizes the WDB Chair to sign the attached certification document.

REASONS FOR RECOMMENDATION:

Background

On June 9, 2017, the State Employment Development Department (EDD) released Workforce Services Directive (WSD) 16-20 to provide guidance and establish the procedures for the certification of comprehensive AJCC locations in Local Workforce Development Areas (LWDAs).

The WIOA Joint Final Rule outlines three key requirements for Comprehensive AJCC certification:

1. Effectiveness of the AJCC;

2. Physical and programmatic accessibility for individuals with disabilities; and

3. Continuous improvement.

California's certification process is centered on these key requirements and sets a statewide standard of service delivery that ensures all customers consistently receive a high-quality level of service. The initial Comprehensive AJCC certification process will be
conducted during Program Year (PY) 2017-18 and take effect PY 2018-19. For this initial certification, Local Boards are only required to certify their comprehensive AJCCs.

**Certification Levels**

There are two levels of AJCC certification: Baseline and Hallmarks of Excellence. The Baseline AJCC Certification is due to the State by December 31, 2017, and is intended to ensure that every comprehensive AJCC is in compliance with key WIOA statutory and regulatory requirements. The Hallmarks of Excellence AJCC Certification is due to the State June 30, 2018, and is intended to encourage continuous improvement by identifying areas where an AJCC may be exceeding quality expectations, as well as areas where improvement is needed.

**Baseline AJCC Certification**

In order to receive Baseline AJCC Certification, an AJCC must meet all of the following requirements:

1. The Local Board has implemented a signed MOU with all the required AJCC partners. This includes both Phase I and Phase II of the MOU process.

2. The AJCC has implemented the board-defined roles and responsibilities of the AJCC Operator and Title I Adult and Dislocated Worker Career Services Provider (i.e., an AJCC Operator and Career Services Provider is in place and functioning within the AJCC).

3. The AJCC meets all regulatory requirements to be considered a comprehensive AJCC as identified in the WIOA Joint Final Rule Section 678.305.

4. The AJCC ensures equal opportunity for individuals with disabilities in accordance with the ADA, WIOA Section 188, and all other applicable federal and state guidance.

**Peer Review Process**

In accordance with WSD 16-20, an outline of the process for Comprehensive AJCC certification was submitted to the State EDD, attention the Regional Advisor by September 31, 2017.

Members of the San Joaquin Valley and Associated Counties, including San Joaquin County, as well as, the Mother Lode, planned to use a Peer Review Team process to certify its comprehensive AJCC. Approved by the State, the Peer Review Team process establishes a Peer Review Team in each participating LWDA. In an effort to maintain arms-length and avoid any appearance of a conflict of interest, Peer Review Teams from another LWDA would not review the LWDA that reviewed them.

The Stanislaus County Review Team reviewed San Joaquin County's Comprehensive AJCC on November 21, 2017. The San Joaquin County Review Team reviews the Mother
Lode on December 4, 2017, and the Mother Lode Review Team will review Stanislaus County’s Comprehensive AJCC on December 11, 2017.

The Peer Review Team approach will provide each LWDA with an excellent opportunity to experience another LWDA’s service delivery system, and to focus on best practices that can be incorporated into their own operations.

It would also provide the Peer Review Team with an opportunity to share best practices, provide technical assistance and support to the LWDA being reviewed, if requested. This sharing of best practices and technical support strengthens the “Continuous Quality Improvement” effort of the AJCC operations not only in the respective LWDA, but, across the region.

On November 21, 2017, the Stanislaus County Review Team conducted an on-site evaluation of San Joaquin County’s Comprehensive AJCC, completed the Baseline Criteria Certification Matrix and the Evaluation Report (see Attachment A) certifying its compliance with WIOA Baseline Certification criteria.

The findings of the Stanislaus County Peer Review Team evaluation, validated the findings of San Joaquin County’s self-evaluation. The WDB’s submission of San Joaquin County’s Comprehensive AJCC Baseline Certification Matrix will ensure the WDB is in compliance with WIOA statutory and regulatory requirements.

FISCAL IMPACT:

There is no fiscal impact for the approval of this Action Item by the WDB.

Comprehensive AJCC Certification Matrix
Baseline Criteria

The Baseline America's Job Center of California® (AJCC) Certification is intended to ensure that every comprehensive AJCC is in compliance with key Workforce Innovation and Opportunity Act (WIOA) statutory and regulatory requirements. If an AJCC does not meet one or more of the criteria, they will be considered “not yet able to certify.” In this instance, the Local Workforce Development Board (Local Board) must develop a corrective action plan that outlines how they will bring the AJCC into compliance by April 1, 2018.

Local Boards must submit a completed matrix and, if needed, a corrective action plan to their Regional Advisor for each comprehensive AJCC by December 31, 2017.

Therefore, the AJCC must also be in compliance with following California guidance related to equal access for individuals with disabilities:

- Unruh Civil Rights Act (California Civil Code Section 51-52)

APPROVAL OF 2018 WORKFORCE DEVELOPMENT BOARD MEETING SCHEDULE
DATE: December 8, 2017

TO: Workforce Development Board

FROM: John M. Solis, Executive Director

SUBJECT: APPROVAL OF 2018 WORKFORCE DEVELOPMENT BOARD MEETING SCHEDULE

IT IS RECOMMENDED:

That the Workforce Development Board (WDB) approve the attached 2018 Workforce Development Board Meeting Schedule.

REASONS FOR RECOMMENDATION:

Historically, under the Workforce Investment Act, this Board approved an 11 meetings per year schedule that reflected monthly meetings through October with a combined November/December meeting. This provided the flexibility, allowing the Workforce Investment Board (WIB) to take appropriate action on time-sensitive agenda items as required by the State. In 2016, the Board recognized that monthly meeting were not necessary and a more strategic schedule was developed to coincide with specific activities required of the Local WDB.

For the first six months of 2017, there were a number of specific activities required of the Local WDB that were time-sensitive and require WDB and San Joaquin County Board of Supervisor approval with a relatively short turn-around time. The scheduling of monthly meetings during the January through June period facilitated the timely completion of critical components required under the Workforce Innovation and Opportunity Act (WIOA) and ensured the WDB’s compliance with State and federal requirements.

During the first six months of this year, the WDB completed, reviewed and approved San Joaquin County’s Local and Regional Strategic Planning documents, Phase II of the Required Partner Memorandum of Understanding which includes Infrastructure Funding Agreements, and the selection of Workforce Innovation and Opportunity Act (WIOA) Youth Program providers.

Program year 2018 marks the third year of WIOA implementation. Although the WIOA implementation would carry a heavy agenda, WDB meeting activity will not be as demanding as it was during FY 2016 and FY 2017. The 2018 WDB meeting agenda will only require five (5) meetings with the critical tasks anticipated. However, policies and procedure directives from the US Department of Labor and the State WDB may require the scheduling of an additional meeting. If an additional meeting is needed to meet a specific unexpected deadline imposed by the State, Department of Labor or other funding
source, a meeting could be scheduled. There will be sufficient-time to notify the WD3 and schedule the meeting.

Approval of this WDB meeting schedule should enable the Board to act in a timely manner to meet all WIOA regulatory and statutory requirements.

**FISCAL IMPACT:**

There is no fiscal impact for the approval of the 2017 Workforce Development Board Meeting Schedule.

**ACTION TO BE TAKEN FOLLOWING APPROVAL:**

1. Immediately release and publicize the approved meeting schedule.
