ITEM #1

APPROVAL OF THE 2019-2024 COMPREHENSIVE ECONOMIC DEVELOPMENT STRATEGY (CEDS) FOR SAN JOAQUIN COUNTY
DATE: July 11, 2019
TO: Workforce Development Board
FROM: Employment and Economic Development Department
SUBJECT: APPROVAL OF THE 2019-2024 COMPREHENSIVE ECONOMIC DEVELOPMENT STRATEGY (CEDS) FOR SAN JOAQUIN COUNTY

THE BUSINESS DEVELOPMENT COMMITTEE RECOMMENDS:

1. That the Workforce Development Board approve the 2019-2024 Comprehensive Economic Development Strategy; and

2. Recommend that the San Joaquin County Board of Supervisors approve the 2019-2024 Comprehensive Economic Development Strategy for San Joaquin County.

REASONS FOR RECOMMENDATION:

Background:

In 1962, the Economic Development Administration (EDA) was established by congressional mandate, as an adjunct of the U.S. Department of Commerce, for the purpose of making available job-creating loans and grants to economically depressed areas characterized by high unemployment.

San Joaquin County has been an EDA-eligible county based on high unemployment since the onset of the program. Since 1977, the San Joaquin County EDA has coordinated the preparation of the Comprehensive Economic Development Strategy (CEDS). Beginning in 1990 the program has been the responsibility of the San Joaquin County Employment and Economic Development Department (EEDD). The CEDS report is submitted to the EDA, which administers programs under the Public Works and Economic Development Act of 1965.

The CEDS describes economic development strategies and job-producing infrastructure projects related to economic development that may be eligible for U.S. Department of Commerce EDA grants. The CEDS is required to maintain EDA grant funding eligibility. Economic development projects are required to be part of the overall CEDS of the area to be eligible for federal funding. The CEDS report is the mechanism for incorporating new projects into a community's Overall Economic Development Strategy. The following projects have received EDA matching grants:

1. SUSD, Woodruff Regional Occupational Center
2. City of Stockton, Waterfront Seawall
3. Port of Stockton, two Port Warehouses
4. City of Manteca, Manteca Industrial Park
5. City of Tracy, Water Filtration Plant & Trunk Lines
6. City of Escalon, Community Center
7. San Joaquin County, Revolving Loan Fund
8. San Joaquin County, Aimetro Business Park
9. City of Lodi, Eastside INDL District Drainage
10. San Joaquin County, Business Retention and Expansion Program
11. Port of Stockton Utility Master Plan
12. Rail Spur at Duck Creek
13. South Stockton Aqueduct
14. Port of Stockton Infrastructure Upgrade
15. University of the Pacific Technical Assistance

At the request of the EEDD, the San Joaquin County Purchasing Department conducted the procurement process to secure the services of a consultant to prepare the CEDS. On February 1, 2019, the Purchasing Department issued a Purchase Order (Contact ID#CON0001648) in the amount of $25,000 formally engaging Chabin Concepts (Chabin) as the qualified service provider to facilitate the preparation of the CEDS that would ultimately be approved by the San Joaquin County Board of Supervisors and submitted to the U.S. Economic Development Association (EDA). Chabin was directed to adhere to the structure of the San Joaquin County’s previous CEDS (2014-2019) which contains all the necessary data, analysis, and discussion.

A. Summary Background (highlights of the plan, vision, goals and objectives)
B. Economic Conditions
C. Factors Affecting Economic Development
D. Public Participation
E. Action Plan
F. Performance Measurement

Since February 4, 2019, EDA staff and members of Business Team San Joaquin (BTSJ) have been working with Chabin Concepts securing pertinent information for the five year CEDS. A complete listing of the BTSJ, which serves as the CEDS Task Force, can be found in the introductory pages of the CEDS which can be accessed via EEDD’s website.

The CEDS assist the residents, property owners, businesses, investors and the policy makers in the County and the EDA to clarify the economic strategies needed in San Joaquin County. The CEDS should not replace, contradict, or duplicate the goals and policies adopted by the Board of Supervisors, or local elected officials from the incorporated communities of San Joaquin County. Each community has an economic development approach specific to that jurisdiction which incorporates and compliments the CEDS.

The San Joaquin County Board of Supervisors appointed the Workforce Investment Board to review the CEDS Report and provide a recommendation for its recommendation for final approval. This process meets EDA’s requirement for community participation in the development of the CEDS. Once approved by the San Joaquin County Board of Supervisors, the CEDS will then be submitted to the EDA for final approval.
Business Team San Joaquin:

Business Team San Joaquin contributed to the development of the 2019-2024 CEDS and on June 3, 2019, approved the attached CEDS for consideration by the WDB. Business Team San Joaquin is an organization made of Partner Service Organizations, Educational Institutions of Employment and Economic Development agency representatives that provides services to businesses and meet on a regular basis to promote the growth and prosperity of San Joaquin County Businesses. These organizations include, but are not limited to Economic Development Departments of the municipalities, the Port of Stockton, Stockton Metropolitan Airport, Council of Governments, County Government, Chambers of Commerce, UOP, San Joaquin Delta College, State EDD, PG&E, San Joaquin Partnership, local PBIDs, SBDC, SJ Valley Air Pollution Control District, San Joaquin RTD, San Joaquin Regional Rail Commission (ACE Train), San Joaquin County Human Services Agency, CVB’s, and CalTrans.

FISCAL IMPACT:

The San Joaquin County Economic Development Association has absorbed costs associated with Taskforce coordination and the preparation and distribution of the CEDS.

ACTION TO BE TAKEN FOLLOWING APPROVAL:

1. Board of Supervisors action (August 2019)
2. Submit CEDS to Economic Development Administration (August 2019)
